

# KITCHEN SCIENCE

## A Trash Sorting Activity

What is in your trash that could be composted or recycled?

Record your Initial Hypothesis (how many items): \_\_\_\_\_

Sort your trash and add a tally mark for each item of Trash, Recycling, and Compost.

### TRASH

Total Tally:

Total Weight:

### RECYCLE

Total Tally:

Total Weight:

### COMPOST

Total Tally:

Total Weight:

Final results (how many items and/or weight): \_\_\_\_\_
